

UFS supports 'Open Defecation Free' mission

KOLKATA, OCT 1/17
Ujjivan Financial Services (UFS) as a part of its community development programme (CDP) initiative, announced on the eve of the 147th Mahatma Gandhi Birth Anniversary celebrations, its support of construction and renovation of 68 public sanitation toilets in Birubari, Batanagar and Muzaffarpur areas. These 68 toilets are getting inaugurated on October 2, to observe Mahatma Gandhi's 147th Birth Anniversary.

Speaking on the occasion, Samit Ghosh, CEO & MD said: "I am happy to announce the CDP initiative in these areas which has seen acute shortage of public amenities. We are confident that these initiatives besides creating hygiene awareness amongst the residents will help garner momentum in our country's endeavour of basic levels of public health for the needy." We at Ujjivan are happy to be a part of national objective of building sufficient number of community and public toilets to transform India to be an open defecation free nation," Mr. Ghosh further added.
